1. **Cory Johnson is our Housing Chairman** – she will be the point of contact and able to help you if you have problems when reserving your room.
2. The Housing Chairman will provide a list to the hotel of those to be on specific floors and complimentary rooms per Finance Committee. She will confirm with the hotel as time grows closer to the deadline.
3. The **2025 & 2026 GRAND FAMILIES** should reserve early as you will be grouped together on a specific floor. The WGM & AGM will give you further information.
4. Everyone is encouraged to stay at the **DOUBLETREE** so we will meet our Grand Chapter contract obligations. All reservations must be guaranteed with a **MAJOR CREDIT CARD – DO NOT USE A DEBIT CARD.**
 - a. Using a **debit card** for a hotel room isn't wise for several reasons. The biggest one is that many of us don't have enough money in our accounts to cover room rates, taxes, and the temporary deposit for incidentals.
 - b. With a **credit card**, the incidentals deposit is merely a hold on your credit card. But with a debit card, the hotel takes that money out of your account IMMEDIATELY.
5. **ALL ROOMS MUST BE RESERVED PRIOR TO THE DEADLINE TO SECURE THE OES GROUP RATE!**
6. If you have roommates, **only ONE PERSON should reserve a room.** Please provide your roommate's names when reserving your room.
7. Upon arrival at the hotel and checking in, you may ask to have the payment split according to who is in your room.
8. If you will be coming earlier or staying later than days offered on reservation portal, please contact the hotel directly.
9. Grand Chapter of Missouri OES provides housing for **one night of Session, one time during each Triennium** for Elected & Appointed General Grand Chapter Officers, Past Most Worthy Grand Matrons and Past Most Worthy Grand Patrons.
10. The hotel cannot guarantee they will be able to accommodate each guest's request. There is a **limited number of handicapped rooms.** However, there are microwaves and refrigerators in each room.
